The following information will only be used to collect data at the Funder's request.

How many people live in your home? _____

What is your annual salary? _____

Do you receive food stamps? _____

Are you homeless? _____

Parent/ Guardian/ Contract

It is our primary goal to assist every child in reaching and maintaining proficiency in the areas of reading, math, and science. To do so, it is imperative that we have complete support from all parents and guardians in the program. This begins with ensuring that your child is present. Attendance in our program is mandatory. We also require that your child is in attendance for the entire time allotted. Please consider if this aligns with you. Lack of attendance moving forward will result in your child being removed from the program.

I understand Miss B's Learning Bee's, afterschool academic enrichment program is a free program but my participation and consistent child's attendance are mandatory for them to be successful.

I agree to ensure that my child is in attendance of at least 75% of each week. In awareness of my child's absence, I also agree to notify Miss Bullard and the Lead Teacher at my perspective site. I acknowledge once I have been absent three times without notifying Miss Bullard or the Lead Teacher at my site I risk my child being removed from the program.

Research supports the more children are present in the after school program the more successful they become in reaching and maintaining proficiency.

As a growing nonprofit, there will be times when your active involvement is needed for special events, field trips, and volunteering to host events with other nonprofit organizations.

We are asking all parents to give at least five hours to the organization. I agree to volunteer a minimum of five hours for the 2019/2020 academic school year or during the Summer Learning program.

I agree with Miss B's communicating with my child's teacher to better support the child. I also permit Miss B's to request and receive documents from my child's teacher and school. This information is limited to information only including assessment results of I-Ready Growth Monitoring/Diagnostic Assessments results and the Florida Standard's Assessment report.

I understand that Miss B's Learning Bee's Inc. reserves the right to dismiss any participant for lack of attendance or adherence to rules and procedures provided to its participants.

I permit Miss B's and its contracted associated to take photographs, video, and recordings of students during the afterschool program to be used in the newspaper, social media, and other forms of media for marketing materials.

I agree to adhere to program hours and will pick up my child no later than 5:00 pm. I understand that a fee of \$1.00 a minute will be assessed for late pickup.

It is my responsibility to update all contact, emergency contact that relates to the care and education of the child.

In the event of inclement weather, Miss B's Learning Bee's follows the school district's lead for cancellations. If the School District cancels school, the Academic Enrichment program will be canceled. If the Academic Enrichment program is in session, and the weather becomes dangerous, the parents are encouraged to arrive early to pick up their children from their prospective sites.

Miss B's Learning Bee's Student Learning Contract

I am taking part in this learning contract because I want to become a better learner. This contract will serve as an agreement with myself to follow the student expectations listed below. The ultimate goal of the program is to help me become proficient in reading, math, and science

Student Responsibilities

- I will help my family members remember the days I have academic enrichment.
- I will attend as many sessions as I can
- I will not give up when it gets tough
- I will complete my lessons in order and not pick things that are easy for me
- I will ask for help when I do not understand
- I will follow directions given by the teachers and volunteers at my perspective site.
- I will do all of my homework
- I will check FOCUS each Wednesday to monitor my homework
- I will do my personal BEST
- I will have FUN while learning

Teacher Responsibilities

- Teachers/ Volunteers will arrive each day ready to help students when needed
- Teachers/ Volunteers monitor the completion of the Individual Action Plan and ensure comprehension of the skill.
- Teachers/ Volunteers will ask questions to make sure students understand what they are learning
- Teachers/ Volunteers will limit distractions ensuring they are available to the needs of students
- Teachers/ Volunteers will ensure students are monitoring FOCUS to track their grades and attendance

Teachers will show up each day ready to provide assistance where needed

By signing below, I am agreeing to follow all of the student actions to ensure learning occurs.

Student's Name _____ Date _____
